December Specials—Angel Messages and Gifts

Celebrating Mother Mary, Queen of the Angels

Mother Mary is part of a group of divine helpers known as the ascended masters. This group of beings includes an enormous collection of divinities, gods, goddesses, deities, and devas from many religions and cultures.

Many ascended masters have had the human experience as prophets, teachers and healers. Mother Mary and the ascended masters are non-denominational, non-judgmental and available to help, support and guide just like your guardian angels.

As you might imagine, Mary's energy is very nurturing and loving. She serves as our blessed mother, Queen of the Angels, as well as mother to our beloved planet. We all need mother

nurturing energy regardless of how we were parented growing up.

Many masters have a particular area of expertise. Mary is known for her kindness, helping with parenting and children, fertility and healing. Mother Mary's energy is warm, loving and you'll feel safe and peaceful. You can ask for her assistance silently or out loud. Be open to signs, feelings and guidance. True guidance always is consistent, loving and feels good; false guidance changes, often is harsh and critical and leaves you feeling confused and unclear. Mary will help you tune into your divine helpers and take action that feels right and positive like a loving mom.

Angel Readings at Central City's 17th Annual Tommyknocker Holiday Weekend, December 6 and 7

If you are looking for a memorable holiday event in an old fashioned setting, don't miss Central City's 17th Annual Tommyknocker Bazaar and Events weekend. This special event is always held the first weekend in December in one of Colorado's oldest mining towns. This year it's Saturday, December 6 (10am-4pm), and Sunday, December 7 (10am-3pm).

Tommyknockers is a Victorian holiday bazaar with events for children, live entertainment, unique shopping, Father Christmas and now the angels.

Kelly will be giving in person angel readings in the gorgeous old Teller House both days. The Teller House is seldom open so it is a special treat if you love old historic buildings. It is well known for the face on the barroom floor and, yes, it is filled with stories and spirits. Kelly's booth is right by the face!

Visit online at www.AngelReadingsbyKelly.com or email info@AngelReadingsbyKelly.com for more information.

Start your holiday season with an angel reading in one of Central City's most beloved buildings. Tommyknockers is always a magical weekend filled with surprising treasures. Come claim yours!
