February Specials—Angel Messages and Gifts

Attracting Love With The Romance Angels

This month we meet a group of beings known as the Romance Angels. These angels' specialty is to open our hearts to romance. Love is the most powerful emotion—guaranteed to lift us, to empower us and to transform our lives.

The Romance Angels consistently give the following advice about finding a partner:

1. Love yourself first. There is absolutely nothing vain or arrogant about loving yourself and honoring your feelings as well as your boundaries.
2. Release any and all unforgiveness towards yourself and ex-partners. Jesus is a great helper in this regard. Ask him to help you let go of any grudges or toxic emotions that keep your heart locked away from love.
3. Make a list of the characteristics you want your future partner to have. This list should be worded in the positive. For example, instead of saying: "Don't send me another #*\$@ing cheater," ask for a monogamous and honest lover.
4. Make sure you possess the characteristics you want your partner to have. The Romance Angels say we cannot attract what we do not possess.

The store is open from 11:30 a.m. to 6:30 p.m., seven days a week.

20 Minute Reading: \$25.00

Specials cannot be combined and are only valid during the month of February.

5. Ensure your list is obtainable by another human. It's okay to have high standards, but you want a human, so make sure a human and not a divine being can meet your expectations.
6. Get out there. Unless you desire only service repair people or pizza deliverers, you will need to leave your home. Look for opportunities to meet the kind of people on your list.
7. Go out with the intention of being open to meeting positive, loving, supportive people of both sexes. Smile and engage others in conversation. Ask questions to determine if the person has the characteristics on your list.
8. Relax and have fun when meeting people. If you take the attitude of "I must find my soulmate tonight," you will broadcast the message that you are desperate and on a hunting expedition. No one wants to be hunted.

The Romance Angels can help all of us who desire love and passion in our lives. Even if you're not emotionally ready to date, you can ask the Romance Angels to put you on the path to prepare you for romantic love. They are delighted to work with us whether we wish to take baby steps or large leaps. Remember to ask and take action steps as you are guided!
