January Specials—Angel Messages and Gifts

Finding Harmony With Archangel Raguel

Facing a relationship challenge, or are you involved in a power struggle? You'll want to get to know Archangel Raguel. His name means "friend of God." He is one of the archangels in charge of relationships (Chamuel is the other). Known as the archangel of justice and fairness, he brings peace, harmony and understanding to conflicts, arguments and misunderstandings. He also serves as champion of the underdog and is a great angel to call on whenever you feel powerless or manipulated.

Raguel's color is light blue, the color of his crystal which is aquamarine.

Archangel Raguel wants to help each of us experience harmony in all of our relationships including the one we have with ourselves. He says one of the biggest blocks to achieving that goal is the heavy burden of carrying unforgiveness. It's a toxic load blocking us from love and from manifesting positives into our lives. Why not begin this new year with surrendering any and all unforgiveness to this loving archangel in exchange for peace, serenity and harmony. When you are in harmony, you radiate it to others and attract even more into your own life.

Property Readings and Clearings

Buildings and land can maintain memories of events. Earth bound spirits and sometimes heavenly souls can attach themselves to houses, buildings and land. These spirits and residual memories can impact a building's feel as well as its living inhabitants. People may feel uncomfortable or even physically sick in such spaces. Animals and children can be extremely sensitive. These negative influences can even cause businesses to fail or move and serious household upheavals.

The angels and other helpful beings are available to determine the influences of a property and help clear such spaces. By clearing a space, there can be resolution and peace for the souls involved and the energy of a location improved.

The angels are also always happy to give practical advice on how to keep a space clear as well as how to manage any energies in the space. Whether you have an energy issue in a current dwelling, or you'd like a reading on a prospective space, email info@AngelReadingsByKelly.com.
