## January Specials—Angel Messages and Gifts

### Release Fears to Archangel Michael

Archangel Michael is a leader among the archangels and is a serious multitasker. He shields, he protects, and he clears toxic emotions. With his sword of light, he can sever esoteric cords to draining experiences and addictions. He helps with life purpose and keeping you on track. He works with the light workers and solves mechanical problems.

Michael's name means "he who is like God." He is the patron saint of police officers and other heroes and can lend you his strength whenever you need bravery.

Michael's color is a royal blue with flacks of royal purple, and his associated crystal is the gorgeous Sugilite.

Along with Archangels Haniel and Raphael, Michael is the overseer of all astrological signs.

Archangel Michael so often appears during angel readings when dealing with issues of guilt, shame and self esteem. He is the angel to help with fear. Fear is an emotion every human experiences. He says that's why he is so close to the earth, because it is one of our mandatory lessons in earth school.

Michael reminds us that we get what we focus on. Fear can prevent us from seeing options, drain us of energy and will most definitely give us more to fear. He is happy to hold your fears permanently or for even a few hours to give you the freedom to pursue your desires. You can write your fears and put them in a God or Michael box. You can also visualize Michael taking symbols of your fears.

The angels always direct us to use positive words to affirm what we want, never the negative. The same is true of our energy. Michael urges us to direct our energy toward what we want, what we are for, rather than engage in fights for things we are against.

This archangel is a master of raising your vibration to fulfill your life's purpose(s). In this month's teleclass, he'll share many ways to help you navigate negativity with grace and humor.

### Your Angels' Guide to 2017 Video

Would you like a personal guide for the new year? Your angels would love to give you direction through an angel oracle card reading.

Using Doreen Virtue's amazingly accurate oracle cards, Kelly and your guardian angels will select 12 cards for each month and a card as a general theme or focus for the year.

This detailed card reading lasts about 30 minutes, and you can watch it as much as you'd like throughout the year. With the law of free-will there cannot be "fortune telling;" it is your angels' intention to give you a "study guide" with tools to help you navigate your soul's lessons.

Your angels' guide to 2017 is in video format for \$40. You need to have a device capable of playing a video and an internet connection to download the file.
