## July Specials—Angel Messages and Gifts

### Archangel Metatron—the Patron Saint of Small Children & Friend of the Hopelessly Busy

This month we meet Archangel Metatron, an angel with fiery energy and a soft spot for sensitive souls and children. He is the youngest of the archangels as he is one of two archangels who have incarnated into human bodies (Sandalphon is the other). Metatron was known as the prophet Enoch and was a scribe. He works with our Akashic records. He is one the angels who can help us with our spiritual understanding.

Metatron’s color is violet with sea foam green stripes. Watermelon tourmaline is his associated crystal.

Having been a human, Metatron is a powerful liaison between Heaven and Earth. Children with special abilities and challenges are near and dear to Metatron, and he is the patron saint of small children. His duties include helping children transition to Heaven and being their champion on Earth, working with teachers and to assist anyone with their organizational and record-keeping abilities (remember, he was a scribe and those skills aren’t lost!).

### Angel Parties Return to Colorado

They’re back...It’s time to gather your like-minded friends, their angels and have an angel party! Angel parties are a great way for you to enjoy a free reading while helping your friends and loved ones connect with their divine helpers. All you need are a few friends and a private room for readings.

As host/hostess, you’ll receive a gift certificate for an angel reading. The length of the reading will be equal to the number of guests with a zero added to the end. For instance, 6 guests would earn their host/hostess a FREE 60 minute reading. You may use the minutes on your gift certificate immediately in whatever time increment you’d like. Minutes can be transferred to a willing friend.

Email [info@AngelReadingsByKelly.com](mailto:info@AngelReadingsByKelly.com) for more details or to schedule your angel party.

## July Specials

♥ 30 Minute Reading: \$40.00    ♥ 15 Minute Reading: \$20.00

Specials cannot be combined and are only valid during the month of July.

Metatron helps those who are time challenged. If you frequently affirm that there isn’t enough time, Metatron is the angel for you to call upon. He truly is a master of managing time and juggling priorities and will help you stay focused and on track.

Finally, Metatron works as a master cleaner of your energy centers (chakras). Metatron uses his cube to align these centers and to rid you of toxins that rob you of your energy. Imagine a cube with his light entering the top of your head and moving down through your physical body, clearing and aligning as it moves. Take deep breaths and follow any guidance you receive about action Earth steps you can take to increase your energy.

Metatron reminds us that we are all children (no matter the age of our human shell), deserving of the Creator’s love and assistance. Ask for help and allow!
