Navigate Transitions With Archangel Azrael

If you have experienced a loss or are in the middle of a transition, Archangel Azrael is the archangel for you. His name means “whom Gold helps,” and he is known as the archangel of death. His specialty is helping souls transition and comforting the grieving. He also helps counselors.

Azrael wants to help you with any transition or loss—whether it is soul going to Heaven or a loss of a job. He says a loss is a loss, and our hearts experience the same emotions as we move through the grieving process.

Capricorn is the astrological sign associated with Azrael. His color is a very pale yellow, and his crystal is creamy yellow calcite.

As with all the archangels, you can connect with Azrael by sitting in a quiet place, focusing on your breath and repeating the archangel’s name. Imagine yourself surrounded by and submerged in the angel’s color. Be conscious of any feelings, thoughts, visions or sounds that come to you as this is how God answers us and the angels send messages and guidance.

Archangel Azrael is honored to be of service to us as we mourn losses and endure changes. He has much to teach us about transitioning to the non-physical and navigating transitions with grace and ease.

An Affirmation From The Angels

The angels often share affirmations with Kelly. Affirmations are statements or thoughts. They can be negative and destructive, or uplifting and empowering. It is the angels’ wish that we use positive affirmations to manifest what brings us peace and enjoyment.

The angels remind us that our creator (or higher power depending on your belief) is in every creation, including you. To claim your creator’s presence within you is to acknowledge your divine source and allow a clear, consistent and strong connection.

For this affirmation, fill in the blank with anything you are trying to achieve. Say it often and with a deep breath in and then out as you affirm...

I am the physical manifestation of my creator’s _____.

Examples:

- I am the physical manifestation of my creator’s peace.
- I am the physical manifestation of my creator’s love.
- I am the physical manifestation of my creator’s abundance.
