## April Specials—Angel Messages and Gifts

### Clearing Your Space With Archangel Jophiel

The angels say our world is alit with new energy with more on the way. We need to clear the way to accept these changes. Who better to help remove the old unwanted and replace it with our new desires than Archangel Jophiel? Known as the archangel of art and beauty, her name means “beauty of God.” She works with artists, creators of beauty and all appreciators of beauty.

Jophiel’s color is a deep rose pink and her associated crystals are dark pink such as pink rubellite.

Archangel Jophiel helps us clear spaces and is known as the feng shui angel. She says as we clear the old from our lives, it makes room for the new. Some of us find it very challenging to de-clutter our spaces and let go of our stuff. Jophiel has a suggestion that will work no matter where you use it. She asks that you look at the item and ask yourself: Is this relevant to my current experience? If the answer is no, take it to a different location, a recycling center or to another home. Clearing your space(s) is a powerful freeing act and one that the angels frequently recommend during readings.

In addition to her “housekeeping” talents, Jophiel is a master at helping us find beauty, whether it is in our thoughts, our actions and/or our surroundings. We are what we think so when you are focusing on beauty, you are beautiful as well. You will attract beauty and more to appreciate.

Incorporate Archangel Jophiel into your daily routine by inviting her each morning to work with you throughout the day keeping you and your spaces clear, bright and positive. You’ll be amazed by the clarity, energy and beauty you experience in many wonderful ways. The angels love to delight and surprise us; all they need is our openness and our invitation to help.

### Connect With Your Pets’ Fairies on Earth Day

As you express your love and appreciation for the earth this Earth Day (April 22), take a moment or two to connect with your pets’ guardian angels—the fairies.

Just as our own guardian angels want to help us with all our earthly concerns, so do our pets’ angels. You can call on them to help you communicate with your furry loved one, to assist with medical and behavioral issues, and to help them return to their non-physical form when it is time for them to return home along with our loved ones.

The fairies are delighted to work with you and all our animals. All they ask is a respect for nature and a loving heart.
