Finding Beauty With Archangel Jophiel

Oh, the power of beauty! Doesn't your soul just soar when you feel beautiful; when you experience things you find mystical and majestic? If you'd like to experience more love and beauty in your life, ask Archangel Jophiel for help. Known as the archangel of art and beauty, her name means "beauty of God." She works with artists, creators of beauty and all appreciators of beauty.

Jophiel's color is a deep rose pink and her associated crystals are rubellite or deep pink tourmaline. She is associated with the Libra astrological sign.

Archangel Jophiel helps to clear spaces and is known as the feng shui angel. Clearing your space(s) is a powerful freeing act and one that the angels frequently recommend during readings.

In addition to her "housekeeping" talents, Jophiel is a master at helping us find beauty, whether it is in our thoughts, our actions and/or our surroundings. You are what you think so when you are focusing on beauty, you are beautiful as well. You will attract beauty and more to appreciate.

Incorporate Archangel Jophiel into your daily routine by inviting her each morning to work with you throughout the day keeping you and your spaces clear, bright and positive. You'll be amazed by the clarity, energy and beauty you experience in many wonderful ways. The angels love to delight and surprise us; all they need is our openness and our invitation to help.

Madeline's Parlour New Home For Kelly

It's been quite awhile since Kelly has had a place to do in-person readings on a regular basis. The wait has ended! The angels have delivered a wonderful mountain home for Kelly's work in Idaho Springs, Colorado as well as opportunities for others to grow.

Madeline's Parlour—Mysteries, Curiosities & Delights—is opening this month at 1608 Miner Street. Named after two special women in Kelly's family. Her grandmother, Madeline Wedell, was an avid lover of beautiful things, an artist and gifted teacher. She was passionate about art and education.

Kelly's vision of Madeline's Parlour is to be a haven to artists and a variety of healing practitioners united in the intention of helping to raise our planet's vibration, one person at a time, for empowerment, love, passion and peace.

In addition to the storefront, there are two healing rooms and plenty of room for classes and spirit tours.

Idaho Springs is right off of I-70 in Colorado between Central City and Georgetown. Madeline's is downtown where there is free public parking, and a bonanza of great restaurants, family activities and awesome shopping.

If you are interested in having a showplace for your creations and/or healing talents, please email info@Angel-ReadingsByKelly.com.

Stay tuned for exciting events at Madeline's Parlour including a new website. In the meantime, enjoy this month's special only good at Madeline's Parlour!

Angel Challenge—I AM [_____]

This month the angels present a "challenge" to increase your awareness of the words you use to complete the blank above. When you say or think "I am," you are literally creating your own reality and drawing that experience to you.

Create a list of everything you use to describe yourself for one week. Review the list and ask yourself: Is this what I want to experience? If the answer is no, the angels ask that you complete the blank with what it is that you do want. Repeat it often and with conviction. I am broke becomes I am open to prosperity; I am a loser at love becomes I am loving-I am love.

The angels say we often claim we do not know what we want. While it is important to know what you don't want, to clearly manifest your desires you must be clear about what you do want. No more saying "I don't know." Now is the time for you to find out for yourself and take the action steps your angels are guiding you to take. If you need help anywhere along the process, just ask your angels.
