June Specials—Angel Messages and Gifts

Celebrate International Fairy Day!

Yes, fairies are real! They are nature’s angels, overlooking and caring for our earth and the animal kingdom. Like the angels, they are available to help us with our earthly concerns. Unlike the angels, the fairies have egos and are partial to those who love and respect the earth and its inhabitants.

Celebrate nature’s angels on June 24 with International Fairy Day. You can connect with the fairies by going outside and getting quiet. Here are some other ways you can connect with the fairies:

- Ask the fairies to help with any medical issues related to an animal. Archangels Ariel and Raphael and Saint Francis are also great helpers of animals in need of healing.
- Before driving, call on the fairies to clear your path and ensure that any wildlife or other critters stay out of the roads on which you will be traveling.
- If your pet is experiencing any kind of challenge—physical or emotional—immediately call on their guardian fairies to bring light and healing to the situation. Ask for their guidance in helping you find the perfect resources to assist your fur child(ren).
- Invite the fairies to help you with any gardening projects. They can breathe new life into sick plants as well as guide you as to any steps you can take to nourish your green friends.
- Look for ways to help nature and the earth. There are endless opportunities to give of your time and other resources.

Archangel Raziel’s Soul Reviews

Are your past lives affecting this lifetime? Archangel Raziel is the archangel who helps us understand and heal our dreams and our past lifetimes. He explains that our “curriculum” for one lifetime may “bleed” into others when we don’t fully work through our lessons in Earth School.

Raziel says we often take vows in lifetimes that we outgrow or didn’t need to take in the first place. Vows of poverty, denial and self-punishment can wreck havoc in our current lifetime.

Working with Archangel Raziel, Kelly offers a Soul Review reading where Raziel identifies the issues which need to be healed and released, as well as cut the ties of destructive patterns from your previous lifetimes.

Raziel’s session can be done remotely or in person. Free yourself of old soul lessons learned with the loving help of Archangel Raziel and your own angels. Call 303-330-0565 or email info@Angel-ReadingsbyKelly.com to schedule your soul review.
