You'll also have an opportunity to receive a message from one of your deceased loved ones when Kelly gives random readings for the attendees during the second part of the tour.

Tours will be held on Saturday, August 18, 2012, and Saturday, August 25, 2012, at 5:00 and 7:30. Tickets are \$40.00. Register at www.AngelReadingsByKelly.com.

Finding Comfort With Archangel Azrael

If you have experienced a loss, Archangel Azrael is the archangel for you. His name means "whom God helps," and he is known as the archangel of death. His specialty is helping souls transition and comforting the grieving. He also helps counselors.

Azrael wants to help you with any transition or loss—whether it is soul going to Heaven or a loss of a job. He says a loss is a loss and our hearts experience the same emotions as we move through the grieving process.

Azrael's color is a very pale yellow and his crystal is creamy yellow calcite.

As with all the archangels, you can connect with Azrael by sitting in a quiet place, focusing on your breath and repeating the archangel's name. Imagine yourself surrounded by and submerged in the angel's color. Be conscious of any feelings, thoughts, visions or sounds that come to you as this is how God answers us and the angels send messages and guidance.

Archangel Azrael is honored to be of service to us as we mourn losses and endure changes. He will be one of the archangels accompanying us on the spirit tours at Doc Holliday's this month. He has much to teach us about transitioning to the non-physical and managing losses.
