July Specials—Angel Messages and Gifts

Spirit Tours at Doc Holliday's Casino

Do you have an interest in history, ghosts and the afterlife? You won't want to miss Kelly's spirit tours.

Our first two hour tour will be at Doc Holliday's Casino in Central City, Colorado. You'll hear stories from the spirits who reside (or resided) at the casino and get a chance to ghost hunt yourself. You'll also have an opportunity to receive a message from one of your deceased loved ones when Kelly gives random readings for the attendees during the second part of the tour.

Tours will be held on Saturday, August 18, 2012, and Saturday, August 25, 2012, at 5:00 p.m. and 7:30 p.m. Tickets are \$44.60, but you can take advantage of early bird registration until July 20 and pay only \$38.00. Register at www.AngelReadingsByKelly.com or call 303-330-0565.

Meet Archangel Sandalphon

With the start of Central City's opera season and to celebrate our gorgeous opera house's 80th birthday, it is the perfect time to get acquainted with Archangel Sandalphon. He is the archangel of music, and his primary duty is that of prayer caretaker. He sees that human prayers reach the Creator. He assures us that all prayers are heard and answered.

In Greek, Sandalphon's name means brother. His color is turquoise as his crystal.

Archangel Sandalphon is unusual among the archangels as he and his brother Archangel Metatron are the only archangels who lived as humans. Sandalphon was the prophet Elijah and Metatron was Enoch (we'll meet Metatron in a future issue).

Sandalphon encourages us to use music to raise our vibrations and change the energy of situations. He says to set the mood through music. Ask yourself how you want to feel or what you want to express and then play whatever kind of music matches your desires. He also says music can be used in manifesting and healing. For instance, you can sing your affirmations or sing about what you desire. Do not concern yourself with how well you sing or dance as it is unimportant. It is the joy you will experience that counts!
