May Specials—Angel Messages and Gifts

Spirit Tours—Memorial Day Weekend

Do you have an interest in history, ghosts and the afterlife? You won't want to miss Kelly's spirit tours.

Our first two hour tour will be at Doc Holliday's casino in Central City, Colorado. You'll hear stories from the spirits who reside (or resided) at the casino and get a chance to ghost hunt yourself. You'll also have an opportunity to receive a message from one of your deceased loved ones when Kelly gives random readings for the attendees during the second part of the tour.

Tours will be held on Saturday, May 26, 2012, and Sunday, May 27, 2012, at 5:00 and 7:30. Tickets are \$44.60 and available now at www.AngelReadingsByKelly.com.

Get to Know an Archangel

Do you need help finding something or someone? Meet Archangel Chamuel, the finding archangel. His name means "he who sees God" or "he who seeks God." Chamuel's color is pale yellow.

Archangel Chamuel's areas of responsibilities are locating items, career and peace. He assists with peace for individuals as well as the planet. Call on him for his calming presence in any situation where you need peace.

Archangel Chamuel is very sweet and is delighted to help you find what you are looking for. There is nothing he cannot help you find—your keys, a lost pet, a new job, your soulmate or your life's purpose.

As with all helpers, you must ask Chamuel to help you. How you do this is up to you. The angels see your intention and know the best way to help.

Chamuel asks that you be aware and open to suggestions and intuition after you call on him. His help may come in the form of ideas or from other humans. He says, "Let go of attachments to outcome once you call upon me for my help. Trust that I work through the Creator to bring you the greatest peace your soul can experience."

Angel Communication 101 Workshop

Would you like to learn how to connect with your divine helpers? The Angel Communication 101 workshop is set for May 19, 2012 from 9:30 a.m. to 4:30 p.m. It will be held in the Evergreen Room at Comfort Suites of Evergreen Parkway, 29300 U.S. Highway 40, Evergreen/Golden, Colorado.

This workshop is designed by the angels to help you remove obstacles in receiving clear communication from your spiritual team and learn the many ways they send messages. A Message to the Fighters From Archangel Michael

There are so many battles and wars against this and that. While change often comes with an uprising, that uprising does not have to be negative or combative. Your fights weaken you as they drain your energy and put you into the role of being a victim, feeling angry and downtrodden. Instead of picking your battles, pick your causes. For instance, instead of complaining about a politician and feeling angry, get behind a politician who shares your passion and concerns. When you are *for* something, you have positive energy and are moving in a desired direction. You will attract positive experiences and people into your life with this attitude. In turn, when you are *against* something, you exude negativity such as anger and blaming, and you attract those experiences. The law of attraction is so simple and is constantly at play. Learn how to make it work for you. It is working this way that will bring about the changes and experiences you desire. We angels stand ready to aid you with your causes.
