March Specials—Angel Messages and Gifts

Archangel Raguel—the Relationship Angel

Are you in a relationship challenge, or are you involved in a power struggle? Meet Divine Helper Archangel Raguel, the friendship angel. His name means “friend of God.” He is one of the archangels in charge of relationships (Chamuel is the other).

Known as the archangel of justice and fairness, Raguel brings peace, harmony and understanding to conflicts, arguments and misunderstandings. He also serves as champion of the underdog and is a great angel to call on whenever you feel powerless or manipulated.

Raguel’s color is light blue, the color of his crystal which is aquamarine. He is associated with the Sagittarius astrological sign.

Archangel Raguel wants to help each of us experience harmony in all of our relationships, including the one we have with ourselves. He says one of the biggest blocks to achieving that goal is the heavy burden of carrying unforgiveness. It’s a toxic load blocking us from love and from manifesting positive experiences into our lives. It most definitely causes physical imbalances as well.

Sometimes we don’t even know how to begin to forgive. The angels say all you need is a willingness to be free from the pain from the incident(s). You are not excusing the hurt or asking for more, rather you are releasing and exchanging the pain for peace, serenity and harmony. When you are in harmony, you radiate it to others and attract even more into your own life.

Reading Specials

- ◆ 50 Minutes: \$85

Specials cannot be combined, are valid only once per customer and are only valid through March. Please mention the special you want to use when you schedule your reading or select it when scheduling online.

Are You Pleasure Deprived?

How long has it been since you laughed or felt joy? So often during readings, the angels see humans on “auto pilot,” going through their days just focused on working and obligations and devoid of pleasure. Depression and feeling stagnant are often the results of not enough joy. Without joy, your Divine light becomes dim and your energy low.

Make a list of at least 20 items that you love and give you joy. These items can be as simple as listening to music, feeling the sunlight on your skin, petting an animal, dancing, creating something, playing with a child, reading a book or taking a bath. Ask your angels for help creating this list if you are feeling disconnected from joy and need reminders of simple pleasures.

Keep your list handy and as you plan your day incorporate a few items from your joy list into your schedule. Actively look for opportunities to feel good. Make joy an essential self-care routine just as you do brushing your teeth or washing your face.

When you feel good, you attract good. Joy is also highly contagious, so you’ll brighten others’ Divine lights as you strengthen your own.
