January Specials—Angel Messages and Gifts

Life Review with Archangel Jeremiel

As a new calendar year begins, it is a perfect time to look back at the prior year and determine where to go next and what you want to create.

Archangel Jeremiel is the angel to call upon as he helps the living, as well as newly transitioned souls review their lives. His name means “mercy of God.”

He is one of the healing archangels, and his specialties include forgiveness and compassion. He is also known as the archangel of prophetic visions.

Jeremiel's color is a deep purple, and his associated Crystal is the glorious amethyst. He is connected with the Scorpio astrological sign.

Archangel Jeremiel says you needn't wait until your soul has left your vessel to review past lessons and prepare for the new. The purpose of life review for the living is to “mine the gold” from all your experiences—positive and negative. Armed with this knowledge from a Divine perspective, you are free to make changes, resolve imbalances and set intentions for this moment forward.

If you'd like to do your own life review with this angel, he asks you consider your accomplishments in the past year. What were your challenges? What lessons did you learn from them? What strengths did you develop as a result of enduring these “problems?”

As you acknowledge your accomplishments and review challenges, allow yourself to feel your losses and grieve them by expressing your emotions in healthy and safe ways. These are all essential ingredients to opening the door and making room for the new and manifesting for your future and your heart's desires.

Evaluate what you are truly willing to carry into the new year. Do you want to continue to energize resentments, old wounds and stressful situations? Does what you are willing to nurture and reward with the gift of your energy serve a healthy purpose? How does it inspire and help you and others? Is it a source of joy or misery? Does it come at a price you are willing to pay?

Archangel Jeremiel and your own spiritual team stand ready to help you review where you've been with mercy, compassion and Divine insight. Ask for their help in exchanging anything that is not working in your life for what would be helpful and supportive as you move forward. At your invitation, and by your allowing, your angels can guide you to greater wellbeing and peace.

Your Angels' Guide to 2024 Reading

Would you like a personal guide for the new year? Your angels would love to give you direction through an angel oracle card reading.

Using amazingly accurate and insightful oracle cards, Kelly and your guardian angels will select 12 cards for each month and a card as a general theme or focus for the year.

This detailed card reading lasts about 30 minutes, and you can listen or read it as much as you'd like throughout the year. With the law of free-will there cannot be “fortune telling;” it is your angels' intention to give you a “study guide” with tools to help you navigate your soul's lessons.

Your angels' guide to 2021 is in written format or a MP3 audio file—both with an accompanying PDF of pictures of each card for \$60. [To get started](http://www.AngelReadingsbyKelly.com) visit online at www.AngelReadingsbyKelly.com.

Angel Chats in the Ghou! Gab Podcast

Do you have an interest in the non-physical? Kelly recently joined the gals at Ghou! Gab, a paranormal podcast to share her journey. Starting with her near-death accident, she tells of how she came to work with the angels, her involvement with a paranormal team, and how the non-physical communicate.

There was so much to talk about, there are two episodes. In part two, Archangel Michael connects with listeners for a virtual healing circle perfect anytime you are ready to exchange the unwanted with what will truly give you peace.

Kelly's journey to working as a messenger for the angels is evidence that any soul can be of service to the Higher Power. The podcasts are an enlightening listen. The links to both episodes are soon on their way to the News posts at www.AngelReadingsbyKelly.com.
